WHAT IS ENTRADA?

ENTRADA is a transnational project funded by the Erasmus+ programme of the European Union and by Movetia. Our partnership strives to support the civic, social and economic integration of migrant communities using challenge-based learning.

OUR RESULTS?

We realised four outputs:

-  36 Online WebQuest Integration Resources
-  Online Platform
-  In-service Training Programme & Handbook
-  Policy Paper

WHAT HAS HAPPENED RECENTLY?

In September 2021, the Austrian partner Auxilium hosted all partners for a Learning, Teaching, and Training Activity in Graz (AT). Due to still active COVID-19 difficulties, the event was organised as hybrid seminar, in which the Irish and Cypriot partners joined remotely. Nonetheless, the event was a full success and the transnational exchange of know-how among adult educators and migrant support professionals enriched our practices immensely.

NATIONAL PILOT PHASES

In the past month, the ENTRADA partners have tested the project results with their national target groups to assure a broad take-up of the developed resources as well as a sustainable impact of the ENTRADA project.

FINISHING THE ENTRADA PROJECT STRONG

In order to valorise the project approach and its results, the national campaign events are organised in all partner countries.

WHAT CAN YOU EXPECT FROM THE ENTRADA POLICY PAPER?

The Policy Paper aims to place the emphasis on the essential role that migrant communities play, and it shows a series of policy recommendations based on the experiences of the ENTRADA consortium and its stakeholders.
